The logo features the word "eSCAN" in a bold, black, sans-serif font. The letter "e" is stylized with a red swoosh that loops around it. The background consists of several overlapping white hexagons on a light gray background.

In detail 

For accounting purposes

- Have all transactions booked directly from bank documents.
- Significant time savings when recording transactions

For closing

- Compare holdings in ePOCA and on the asset statement with one clic
- Transfer valuation rates directly from the asset statement

For auditing and control

- All bank documents are automatically archived, e.g. in DocuWare, Kendox, D3, etc.
- Bank documents are linked to the entry and can be accessed directly from ePOCA if required

For your wallet

Flexible. Only take what you need.
